Retraction: Novel two-stage surgical treatment for Cantrell syndrome complicated by severe pulmonary hypertension: a case report

Xiaochen Wu¹, Jinbao Zhang^{1*}, Hui Ouyang¹, Qin Yue¹ and Heng Zhao²

Retraction

This article [1] has been retracted by the Editor. Although the patient's legal guardian originally gave consent for publication of the case and accompanying images, we were informed that they withdrew this consent shortly after publication. The article is no longer available online in order to protect patient confidentiality.
