# Reviewer acknowledgement 2013

Daniel Shanahan

## Contributing reviewers

A peer-reviewed journal would not survive without the generous time and insightful comments of the reviewers, whose efforts often go unrecognized. Journal of Medical Case Reports has been blessed by the support of highly-qualified peer reviewers, and the Editor-in-Chief, Michael Kidd, and staff of the journal would like to show their appreciation by thanking the following for their invaluable assistance with review of manuscripts for the journal in Volume 8 (2013).

**Abbassian Ali**
